Grant Alert

Grant Opportunity Newsletter

August, 2017

Welcome back!

We are looking forward to a great school year! My name is Sandy Morgan, and I will serve as a grant liaison to help teachers who are looking for grant funds for their classroom projects.

Teacher and school grants can provide a great way for you to have the extra resources you need to implement new ideas.

The Grant Opportunity Newsletter will serve as a resource for grant opportunities. The Family Resource Center will email this newsletter out to you on a quarterly basis with available grant opportunities.

I can be reached at Sandra.Morgan@lpsb.org or 225.667.1098 if you have any questions.

We need your help in keeping an accurate database of grant funding that is received by our schools. For each grant that is received, the grant recipient should submit a Grant Received Form. This can be found at: <http://www.lpsb.org/> under staff tab, click on LPPS Grant Writing Link.

Be sure to get prior approval from your principal for any grant for which you plan to apply.

The Tax-ID number that you will use is:

72-0882480
