Therefore, the Board recognizes its responsibility to evaluate the Superintendent in a confidential manner. The Board shall evaluate the Superintendent in an open or closed session, based upon the desires of the Superintendent, according to standards agreed upon by both parties. The intent of the evaluation is to provide the highest quality leadership for the school system. A copy of the evaluation results shall be given the Superintendent upon completion of the evaluation.

The Superintendent shall be evaluated annually to document performance. The evaluation shall include the Superintendent's strengths and weaknesses relative to the performance objectives/specific targets outlined in the Superintendent's contract.
